Please complete this form when requesting parts from Brother's parts department. If the Brother's Limited Warranty covers the product, please check the "Yes" column and provide all "Warranty Detail". By providing sufficient information to validate warranty, the parts will be shipped at no cost. You will not receive an invoice and it will not be necessary to return the defective parts. Repairable modules and assemblies are not included. No cost warranty parts are limited to items under \$25.00 dealer cost. Incomplete or incorrect information may delay the processing of your order.
